

Test Card Details

Please Read

The Test Cards should ONLY be used on the merchants TEST account. Test Cards should NOT be used on the merchants live account.

Failure to comply with this will result in the error message "Test Cards Cannot Be Used on a Production Account" and the merchant may be charged for the transaction.

Case Breakdown

Test Case	Card Result*	3DS Enabled	Description
1	Authorised	No	This test case will Return an Authorised Transaction result without 3D Secure being checked.
2	Declined	No	This test case will Return a Declined Transaction result without 3D Secure being checked.
3	Referred	No	This test case will Return a Referred Transaction result without 3D Secure being checked.
4	Authorised	Yes	This test case will Return an Authorised Transaction result with 3D Secure being checked.
